'You Have A Right To Be Here'

"Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender, be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

"Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

"Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. . . .

"You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

"Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

"With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy."

Last week the typesetter reversed the 1 and 3 of the deadline date to read December 13 instead of December 31. This must have discouraged some of you as only eighty-seven green sheets were received during the week. This leaves us two weeks and approximately 400 green sheets short of our goal.

Beavers Take Top Volleyball Spot

Four-point sweeps were the games in Volleyball last week. On Court A the Dirty-Half Dozen defeated the Neophytes 15-5, 15-8, 15-2, and 15-6. The Beavers bested the Old Men 15-4, 15-2, 16-14 and 15-3. The K-25 Hawks tamed the Charley Browns 15-6, 15-11, 15-12, and 15-7.

On Court B The Naughts

HP Loopers Still Lead Basketballers

Health Physics, with four men hitting in double figures, continue to roll undefeated in the Basketball League. They downed the vastly improved Sharp Shots team last Monday, 65 to 45. John Murphy played a scrappy floor game . . . with Jim Treadwell and Larry Finch controlling the boards for the big winners. Bob McCulley, a recent addition to the team, sparked the Sharp Shots with hot shooting and outstanding hustle. Dan Ramey assisted McCulley in the rebounding department.

McCulley dropped 18 big points through the bucket to lead scoring for both teams.

Monday's second game pitted the Combustions against the Y-12 Eagles . . . the Eagles winning 57 to 48. Larry McDonald's aggressiveness and Dick Bouchner's rebounding skill led the Eagles in one of the best games of the season. Curtis McGinnis' 21 points, Jim McCall's floor rplay, and Wallace Johnson's rebounding kept Combustion right in there all the way.

Atoms Fall Hard

In final play Monday, the Bombers lowered their sights on the Atoms, demolishing them 78 to 26. Jim Shoemaker sank 26 big points through the basket; Tom Kress scored 15; Herm Thomas 13.

For the losers it was Jim Williams with 16 big ones.

Wednesday's action dawned with the TK's trimming the Radioisotopes 51 to 41. The better balanced TK's getting even scoring, managed to stay ahead by 10 points throughout the game.

By controlling both boards the TK's kept the game on ice. When the Isotopes would start a drive, Raymer and Hudson would step in to shore up the gap.

They led scoring with 12 points each.

Game two Wednesday saw the Chargers reduce the Bat Boys 56 to 18, in a very rough and tumble ball game. The Chargers completely outclassed the Boys and ran out to an early big lead. They subbed freely with practically everyone getting into the scoring act.

Ray Leffler, as usual, led them . . . this time with 17.

Final action gave the Eagles another win for the week, as they took the K-25 Falcons on . . . 70 to 35.

The Eagles early in the game proved the superiority of that species over the Falcons, and then sent in their second team to slow the pace a little.

At first, the Eagles wouldn't let the Falcons past mid court and repeatedly stole the ball for sure points.

Larry McDonald led scorers with 14 . . . Jim Stout had 13.

Norm Jarvis, Big Five, rolled like a pro in singles . . . a 246 scratch, 252 handicap game. Bill Sise, also of the Big Five, put a 631 scratch, 679 handicap series on the boards.

CASTLEBERRY—NOE

Miss Phyllis Joyce Noe and Mr. David Lynn Castleberry were married at 7 p.m. Thanksgiving Day, November 23. The marriage was performed by the Reverend Alfred T. Royer, Shelbyville, Tennessee, at the Grace Baptist Church, Knoxville.

The bride is the daughter of Mr. and Mrs. Carroll H. Noe Sr., Route 17, Dolph Drive, Knoxville. (Her father is in Process Maintenance.) The groom is the son of the late Mr. and Mrs. Roy E. Castleberry.

Given in marriage by her father, the bride wore a gown of ivory peau and re-embroidered Alencon lace. The high neckline above a lace yolk was trimmed with seed pearls. The detachable wateau train was encircled with lace. A cluster of pearl sprinkled lace petals held the bouffant fingertip veil. She carried a white Bible, a gift of the YWA of the church, with lilies of the valley, white roses centered with a white orchid.

Mrs. C. H. Noe Jr., sister-in-law of the bride, was matron of honor. Other attendants were Misses Connie Green, Joan Mays, Evelyn Carson, cousin of the bride, Nancy Roden and Mrs. Rex O. Bennett, Charlotte, North Carolina.

Flower girl was Cynthia Renee Wooliver, niece of the groom; and ring-bearer was Timothy DeWayne Noe, nephew of the bride.

The groom's best man was Mike Hayes, Knoxville; and ushers were C. H. Noe Jr., brother of the bride, South Pittsburgh, Tennessee; Wayne Castleberry, the groom's brother, Knoxville; David Noe, cousin of the bride; and Jim Hill, both of Knoxville.

A reception honored the couple immediately after the ceremony at the church.

The bride attended the University of Tennessee where she studied office administration, and was a member of Beta Sigma Phi sorority. She is a graduate of Karns High School, and is in Y-12's Process Maintenance.

The Groom is a graduate of Karns High School, and a two-year veteran of the U. S. Navy. He is presently with the Powell Telephone Company.

They are living at Route 18, Tolson Lane, Knoxville.

Half Of Our Fires Caused By Garbage

About half of Tennessee's woods fires — some 2,000 a year — start from debris and brush burners whose fires get out of control.

If you're going to burn rubbish, make sure that the fire can't get away out of your control. It could go on to destroy valuable timber

Slowpoke Is Threat On Our Super Highways

The slowpoke on the expressway is just as dangerous as the speeder, according to the National Safety Council. If traffic streams past you or you are leading a slow parade in your lane, speed up or get off the expressway. (Many thoroughfares have minimum speeds.) You are a hazard when you block traffic on the freeway.

around you, either on your own land, or someone else's.
